The Board of Health voted the following regulation, acting under the provisions of the General Laws Tercentenary Edition Chapter 111, Section 31.

WELLS – ARTICLE XVIII

Section 1

All wells in the Town of Swampscott shall have a permit from the Board of Health. Well permits shall be reviewed on an annual basis renewable May 31, of each year.

Section 2

Application for wells shall be on a form supplied by the Board of Health.

Section 3

A plot plan locating wells and water lines shall be submitted with the application an updated each year.

Section 4

The Swampscott Board of Public Works shall be notified of all wells and their use.

Section 5

Any well water entering a dwelling shall be reported to the Board of Health.

Section 6

Well shall be tested at least annually.

Section 7

No cross connections of any kind shall be allowed.

Section 8

The fee for a new well shall be one hundred dollars (\$100.00). Renewal fees are thirty dollars (\$30.00) annually.

Section 9

Whoever violates these regulations shall be fined no more than three hundred dollars (\$300.00). Each day constitutes a new violation.

The Board of Health may, upon application, vary any of the above conditions. Variances will be on file with the Board of Health.
