

BEACH MARKERS

MUNICIPAL DESIGN COMMITTEE | MARCH 23, 2015

VISION

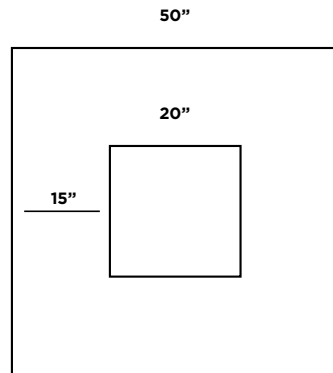

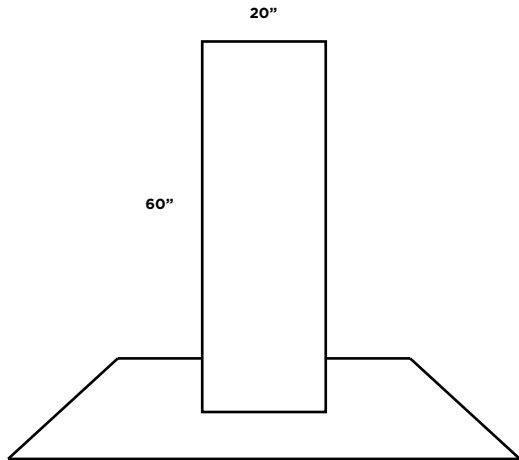

- Honor important landmarks
- Compliment the natural beauty of the beaches
- Consider durability in a harsh environment
- Minimize maintenance concerns
- Integrate with future signage: regulatory and historical text
- Integrate with hardscape: service entrance barriers, trash cans, bike racks, etc.

SOLUTION

CARVED STONE MARKERS

- Influenced by the New England tradition of ocean jetty blocks
- Solid and monumental, yet simple and elegant

JETTY BLOCK | ELEVATION / PLAN

FISHERMAN'S BEACH | JETTY BLOCK

EISEMAN'S BEACH | JETTY BLOCK

KING'S BEACH | JETTY BLOCK

TYPEFACE

WHITNEY

- Designed for New York's Whitney Museum specifically for signage
- A humanist sans serif—modern, readable, approachable, and appropriate for carving
