PETITION 18-02

96 PURITAN ROAD

Application by Red Sauce, Inc. seeking a use special permit in conjunction with its application to the Board of Selectmen for an alcohol license. The Petitioner is also seeking a use special permit to extend hours of operation to 12AM each day, and a use special permit for entertainment. Petitioner envisions providing limited ethnic Mexican guitar music consistent with a family-style restaurant

Attorney Nicholas Felici was present along with Project Manager Peter Venuto.

Attorney Felici began by handing the Board a draft floor plan for the restaurant, and explaining that this will be a family style restaurant. Mr. Felici added that the owner owns other restaurants in the area and that they entered into a lease at this location almost a year ago, but have been waiting on their license. Attorney Felici explained that his clients are hoping to keep the same structure in the restaurant (of the previous restaurant that was in there) except changing the décor to match the style of the restaurant type. Attorney Felici explained that his clients do not expect any buildouts.

Attorney Felici explained that his clients are asking to keep the hours of operation as the restaurant before them in the same location; open till midnight. Attorney Felici added that his clients would like the possibility of having small scale entertainment, mentioning that it would be a one or two-piece mariachi type band, but would be kept in line with a family style restaurant type setting. Attorney Felici mentioned that his client's other restaurants also have light entertainment as well. Mr. Felici mentioned that his clients are seeking their entertainment use permit now, instead of in the future.

M. Kornitsky asked about outdoor seating, Attorney Felici mentioned that he did not know and had not spoken with his clients about it yet. Mr. Venuto mentioned that the location is tight, and not looking at an outdoor seating concept for the location.

M. Kornitsky asked the Board for any questions, there was none. M. Kornitsky then went on to explain that any relief granted by the Board would still be limited by the Board of Selectmen. M. Kornitsky then explained that he believed the plaza to be a great location for this use, citing that there is a limited amount of residential structures near it, and that there is the other new restaurant going in very close as well. M. Kornitsky added that he did not have any problems with the hours of operation, and mentioned that the restaurant would have to go before the Board of Selectmen every year, as part of their Liquor License terms. Attorney Felici mentioned that his clients restaurants usually close at 11pm or so.

The Board was constituted as D. Doherty, R. Landen, E. Stuart, H. Roman, and A. Paprocki.

MOTION : by R. Landen to approve the application by Redsauce Inc. for special permit to extend hours of operation to 12am each day, and a special permit that would allow them to hae limited entertainment on the premises during the hours of operation, limited to 1 to 2 person guitar music consistent with Mexican style family restaurant, seconded by B. Croft, unanimously approved.

M. Kornitsky motioned to adjourn the meeting, seconded by D. Doherty, unanimously approved, meeting adjourned at 7:41PM.
